Idiot! You are leaving everyone to die?
No!
I am only retreating to prepare for the next attack!
I have to leave quick, or I'll die too!
This is the holy beast Claduis!
This...

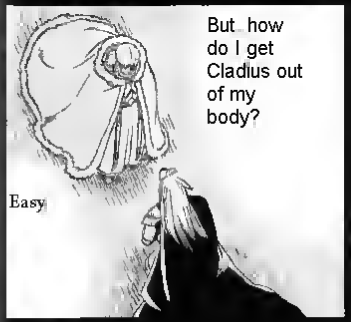
You have done a good job, Ajise.
Please help me... Cladius is inside me...

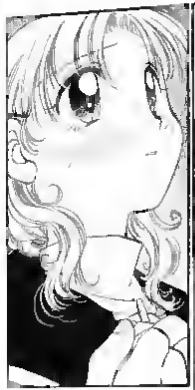
Give me Cladius' power.
Come



But... how do I get Cladius out of my body?
Easy.

That power is too strong for you.

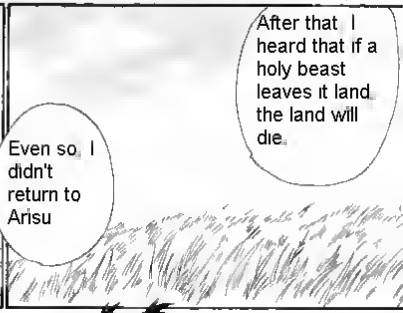
Ten thousands of citizens in Arisu... I drove them towards death.
And thousands,



... Is it very scary?

Escaped from my crimes.

I escaped from Arisu



Even so, I didn't return to Arisu
After that, I heard that if a holy beast leaves it land, the land will die.

The 20 soldiers that admired me...
I...

Ah, she is called Lily, is a gentle but elegant lady.
How is that person like?
There was someone here who once saved Laku!
No...
But it's great!
With her, I have grown kinder...
She is a lady like that.....
She's always energetic,
.....
Smiling often...

I'm not afraid...
No, not a bit...
But I didn't know anything...
I'm just thinking... Laku you!
Have been travelling alone for so long in pain...
I'm sorry...

Of course, I don't feel that Laku is very scary.
Is Miss Lily's grave far from here?
Ah...
You want to find her name from all these?
Why?
What am I afraid of?
That voice he used...
I'm making me very worried.
But, He suddenly told me of his hidden past...
It is a lie.
To say I'm not afraid,
This is a shared grave, praying to anyone is the same.
No way! I want to greet Miss Lily!

This year
Is 1065...
Miss Lily... She died in year 873?

It's our homeland Arisu.

Laku can't be more than 200 years old.
Perhaps I'm over thinking about it.
If he is human, he would have died earlier.
Sweet little girl.

It's easy for Laku, but I can't jump over!

Laku ?
Huh ?
